USED VEHICLES AND TRAILER SALES VIA TORTON'S WEB SITE

Terms and Conditions

- Any vehicle or trailer offered to Torton for re-sale must have a current MOT, Road Fund Tax (or SORN), be in a road-worthy condition with Tachograph fitted and calibrated and speed limiter fitted on vehicles over 3,500kgs and have current certificates for such items as electrical installation, lift test, gas installation etc. If not, Torton reserves the right to have these tests carried out and the cost added to the commission. This will be made clear before work is carried out.
- Torton will charge either a 10% commission if the vehicle / trailer have all the above certification and is sold as seen. Alternatively, if a potential client wants work carrying out to the trailer / vehicle, this will be worked out and Torton will inform you of a Nett, figure offer for you to consider and confirm. A minimum charge of £500.00 Plus VAT is made for items below £5,000.
- Should you decide to remove the vehicles / trailer from sale at any point, a charge of £500.00 Plus VAT would be incurred to cover administration and storage etc.
- **Storage**
Is free of charge for 6 months then charges of £25.00 Plus VAT per week will be incurred for items up to 7m and £35.00 Plus Vat per week for larger items.
- **Insurance**
Vehicles and trailers will be covered by Torton for any negligent act. However, they should still have clients own cover as required.
- Torton will not release any vehicle or trailer to clients without approval or full payment to transfer title.
